PROFESSIONAL EXPERIENCE

Manager, Videography and Social Media

Hartford Athletic – Hartford, CT 2022-Pres.

- Responsibilities include managing and executing all social media for multiple accounts and platforms for the team including the main pages that have between 10-22k followers.
- Responsibilities also include capturing and creating all creative video for the team in games, practice, events and more.
- Built the team TikTok from 3.6k followers to about 10k followers in the span of three months.
- Created the roll outs for multiple major announcements including the new home jerseys, our team schedule announcement and the team's mascot unavailing.
- Managed a team of two interns that would help create and capture video along with schedule and post to our social media pages.
- This was done using Premiere Pro and Audition for video editing and used meta, and social media sites for scheduling. Handled and managed large quantities of requests with short turnaround times.

Creative Video/Social Media Assistant

Gonzaga University Athletics Department – Spokane, WA 2021 - 2022

- Obligations include filming, editing, and creating video content for both the men's and women's tennis teams to be used for social media and on GoZags.com. Premiere Pro, Audition, After Effects, and Photoshop were used to create the content. Managed the program's social media pages including the Twitter and Instagram pages creating graphics, videos, and posting photos.

Broadcast Director/Producer

Hudson Valley Renegades - Wappingers Falls, NY Summer 2019

- Responsibilities include broadcasting and managing the games played by the Renegades for MiLB.tv using BlackMagic broadcast systems. Served as director, producer, replay, graphics, and team manager, managing 2-5 interns.
